To all parents and carers of St John Fisher Catholic Primary School,

I am truly humbled and so grateful to each and every one of you who took the time to vote for me in the Parent Governor election. Your trust and support mean the world to me.

It is an absolute honour to have been elected as your new Parent Governor. I promise to do my very best to represent you, listen to your voices, and work alongside the school to support our children, our families, and our wonderful community.

Thank you also to the other candidates for stepping forward: your willingness to serve shows how much we all care about this school. As the letter so beautifully reminds us, we are all one body, and every part matters. I look forward to working together with you all for the good of our school.

Please always feel comfortable reaching out to me. I am here to listen and to stand alongside you all.

Let's keep working together, hand in hand, for the wonderful children of St John Fisher. Thank you again. I could not do this without you.

May God bless us and guide us in this journey together. Thank you once again for your trust and your support.

With deepest gratitude,

Yetunde Ogunedina
