Dear Parents

I am sure many of you watched the briefing yesterday from Boris Johnson and like all of us are left with a few questions.

We were informed that further information will follow and I hope this new information will provide us with clear guidelines and a clear action plan for the re-opening of educational settings.

So, please I ask that you continue to work with us and allow us the time and space to create an actions plan that meets our needs as we enter the next phase.

As soon as I have any further information or greater clarification from the Government I will inform you.

Remember stay safe and stay home.

Many thanks

Sarah Griffin
