25th May 2022

Dear Parents

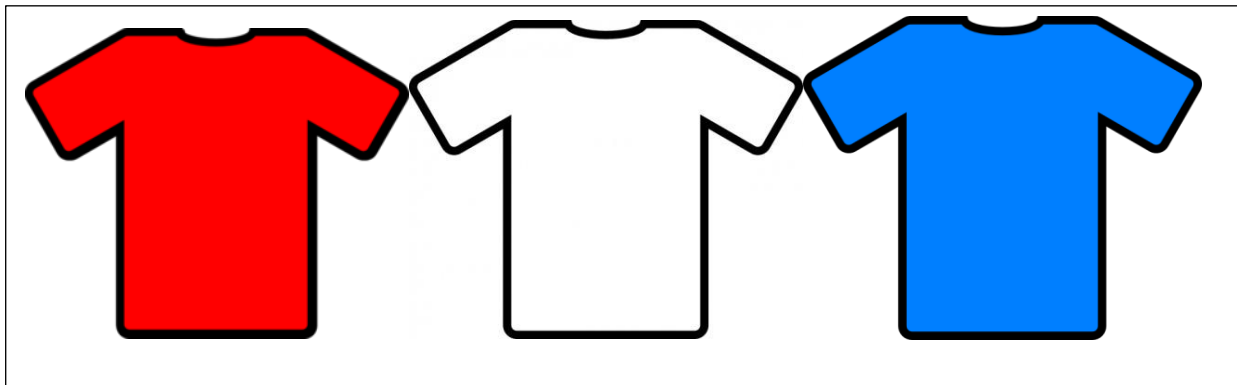

Platinum Jubilee Celebrations

We have been very busy this week learning and celebrating the Platinum Jubilee of our Queen - Queen Elizabeth II.

The children have already created a whole school display, drawn portraits of the queen throughout her reign, made bunting, painted memory stones, iced biscuits, created a new flower garden and still the learning continues.

On Friday 27th May - The children are invited to wear red, white and blue clothes instead of their uniform on this day.

We are looking forward to a lovely end to a wonderful week where the learning in all year groups was led by a common theme of joy and celebration.

We thank you for your continued support.

Sarah Griffin
