July 2022

Dear Parents

Thank you to all of our parents for your continued understanding and cooperation with our 'Red Heat Risk Assessment'.

With the heat concerns and rising Covid-19 cases, we unfortunately have had to make the decision to officially cancel events we had planned for this week.

- Leavers Assembly - Tuesday 19th July - CANCELLED
- Sports Day - Wednesday 20th July - CANCELLED

Every decision we make is risk assessed for the whole school community.

As the children are coming to school every day now in shorts and T/Shirts and trainers - if the weather allows we will ensure the children have some fun sporting activities.

Reminder:- Please send your child to school wearing the following each day -

- Black or Navy Shorts
- Plain White T/Shirt
- Trainers
- A drink

Your child may bring a hat with them - the children DO NOT need to bring school bags in for the rest of this week.

Our Year 6 will still have a prize giving assembly (date to be confirmed) and only parents of children in Year 6 will be invited.

Thank you once again for your continued support.

Miss Sarah Griffin
Headteacher
