Dear Parents

Black History Month is once again St John Fishers focus for October. This is a special time where we promote our knowledge and understanding of black history, culture and heritage.

Alongside our core SJF Values, we will encourage the children to reflect on previous work, and explore ideas that promote respect and understanding of one another. We will also consider important historical events as we learn about Black History whilst taking the opportunity to celebrate the lives of positive black role models and the positive contribution they have made and continue to make.

As always, this will be undertaken in an age appropriate and considerate way.

We know our children are keen readers. Further ideas of books for a range of ages that link with Black History Month can be found here

At SJF we are always keen to learn from one another and promote understanding of different cultures and backgrounds. We have 7 slots available for parents to share with us - please do get in touch with your child's class teacher or Miss Sholade if there is a story, information, artefacts or photos that you would like to share with the children at our celebration event on Friday 21<sup>st</sup> October 2022.

Yours sincerely

Miss S Griffin - Miss L Sholade
