Dear Parents

Preparations for our Black History Celebration at St John Fishers are well underway. As said previously, this is a special time where we share and celebrate our knowledge and understanding of Black History, culture and heritage.

For our Black History Celebration extravaganza this year - FRIDAY 21ST OCTOBER

We invite the children to come to school in their National Dress for this celebration.

We will open the doors at 9:50am for Parents to join us.

We aim to start as close to 10am as possible.

No late comers will be admitted once the event has started - it is very disruptive for the children. (Please remember staff must be treated with respect and any rudeness or shouting at staff will not be tolerated - you will be asked to leave the premises)

We anticipate a high number of families will want to attend - so to allow equal access for all - we need to request that no more than **2 adults per family** attend the event and remind families that older siblings **will not** be able to attend.

This is an amazing way to end any term and I know everyone loves the unique way we celebrate our rich culture at SJF.

We are looking forward to seeing celebrating with you all next week.

Yours sincerely

Miss S Griffin - Miss L Sholade
