11th September 2023

Dear Parents

On Thursday 14th September we are having our first open evening for the school year 2023- 2024. This is the whole school meeting for ALL parents. The meeting will start at 5.00pm.

The purpose of the meeting is to ensure all parents are given the same information. We will explain different policies and procedures and set out our expectations for all of the children.

The meeting is to be more of an open discussion where questions can be asked about aspects of school life.

All teaching staff members will be at the meeting. This is a great opportunity to clarify any misunderstandings or misconceptions anyone may have.

Please make every effort to attend this meeting as the next parents evening will not be until January 2024.

If you have any questions that you would like to submit for parents evening please hand them into the school office by noon Thursday 14th September.

Yours sincerely

Miss Griffin
