## SJF MARATHON

THURSDAY 18<sup>TH</sup> APRIL

### In aid of The Maypole Project

The Maypole Project provides family centered emotional support, where a child/young person has been diagnosed with a complex medical need between 0 and 18yrs.

Families can receive support from the moment of their child or young person's diagnosis (or unnamed condition), including antenatal period. They will support the whole family including siblings, the ill/disabled child/young person, parents, and grandparents. They promise to stay alongside families for as long as they are needed.

So SJF get your running gear on and together we are going to run a marathon - our fundraising will be part of **DEAN POOLEY'S** (the eldest son of Mrs Pooley in the office )

London Marathon Fundraiser.

So let's do this together - parents are welcome to join us for the run

We want to raise **£500** to help support this amazing charity

**£2.00 each to take part**
