18th January 2021

Good Morning Parents

We understand that some families are struggling with devices for their children and are using home laptops, tablets and PC's - in some cases sharing between 3 children.

I did say I had some great news and I can now share that news with you.

We thank you for working with us BUT I can now tell you, we have purchased 210 Lenovo Tablets - 1 for every child in the school to use at home and then use in school when we return to some kind of normal.

The staff have installed SEESAW and our 6 learning platforms on each Tablet so they are ready to go.

Please come to school to collect your child(rens) new Tablet to further support Remote learning from 10am - 2pm today Monday 18th Jan, Tuesday 19th, Wednesday 20th and Thursday 21st.

At SJF we will not let the digital divide stop our children from learning.
