Friday 5th March

Good morning all

Today sees the end - we hope - to online learning as we prepare to return to school on Monday 8th March.

We are busy today making sure everything is ready for the great return.

This afternoon the whole school is being deep cleaned in readiness for Monday.

Please make sure you read the letter on the school website regarding changes to morning drop off, afternoon collection and PE days from Monday 8th March.

Here is the link again to the letter -

As we return to school, we need to remember that everyone has had a different experience with this last lockdown - some have enjoyed it and some have struggled with it. I ask that we all take some time to understand and remember the needs of others when we return.

To end today, I think the message from Thessalonians is a great starting point and gives us a clear focus to build on as the SJF family 'Therefore encourage one another and build each other up, just as in fact you are doing.'

1 Thessalonians 5:11

Our children will catch up - our children will keep up - our children will succeed.

We are ALL in this together and together we WILL make it happen.
