Dear Parents

29<sup>TH</sup> March 2022

I would like to say a huge thank you to everyone within our school community for all your continued support this Spring term.

The staff continue to work incredible hard, not only looking after the children's academic learning and development but their emotional development also.

In these continuing difficult times, we understand that adults and children need time to adjust to new routines and live in hope of going back to life before COVID-19. This is something that we are **all** feeling - please do not put undue pressure on yourselves or your children over the Easter Break

Please continue to engage with your child's learning where you can, but also enjoy time reading, cooking, playing games and doing crafts with your children - 'these will be the memories that they hold on to once normality resumes'.

Next week is our final week before the start of the Easter holidays and I just wanted to take this time to keep you updated with our plans for next week.
